

### **What is a Yarn Crawl?**

A yarn crawl is an opportunity to visit local yarn shops in a particular area where you can feel, touch, and get inspired by beautiful, unique yarns and fiber and interesting designs.

### **How can I participate?**

If you are at least 18 years old, you are eligible to participate. Purchase a passport at any of the participating yarn shops. Keep that passport with you when you visit each shop and have them stamp it on your visit.

### **What is a passport?**

A passport is a booklet created so that each of the yarn shops on the crawl have a place to authorize that you were in their shop by stamping a unique stamp on your passport. There will also be an informational booklet given with the passport that will give you information on each of the participating shops...like their location and shop hours.

### **Will I also get a tote bag?**

We have ordered a limited number of tote bags. They will be given out first come, first served until they are gone.

### **Do I have to buy something to participate in the shop drawings?**

No. But we would hope that you see something that you can't live without. 😊 Remember all of our shop owners are small business owners who are there to provide their communities with quality yarns and supplies. If folks don't support them, they will no longer be able to stay open.

### **How will I know if I have won one of the drawings or even the Grand Prize?**

Drawing Winners will be notified directly by the shops on Saturday, July 9. Winners will also be posted on the East TN Yarn Crawl website, Ravelry page, & Facebook page. Only out of state winners will have their prizes mailed to them. All other winners are expected

to pick up their prize at the shop where they won the drawing. The Grand Prize Winner will be notified by The Yarn Haven and can pick up their prize at that shop (464 N. Cedar Bluff Rd., Knoxville.)
